DETAILED ACTION

This is in reference to response received 02 June 2006. Claims 1 – 10 are pending for examination.

In the communication received on 01 November 2005, applicant filed a Declaration Under CFR 1.131 claiming an earlier priority date of 18 May 2000 to overcome the cited reference Anderson (US Publication 2002/0087622 A1). In support of the Declaration applicant provided a copy of hand written description beginning with the title "Step 1". In view of pending claims 1 – 10, to determine the claimed priority date of 18 May 2000, applicant is requested to provide a clear copy of this page because some of the words cannot be easily recognized to understand the invention as claimed on an earlier priority date of 18 May 2000.

In the response received 12 June 2006, applicant has provided the copy of handwritten page of Step 1 which was also presented to the office on 01 November 2006. To further the prosecution of the instant application, applicant is requested to recreate the page using information as presented in Exhibit 2 by hand or by using applicant preferred tool(s). Applicant is requested not to use recursive font when recreating the document.

This requirement is subject to the provisions of 37 CFR 1.134, 1.135 and 1.136 and has a shortened statutory period of 2 months. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
